

BRICKS N' BALANCE

Welcome to Our Company

At Bricks N Balance, we specialize in transforming your dreams into reality by crafting exquisite homes and workspaces. With a strong focus on luxury interior design, we bring your vision to life through our expertise in 3D renderings, architecture, and interior design. With over 11 years of industry experience, we have successfully designed and executed over 4 crore square feet of space, including 5,000 homes and approximately 2,000 workspaces. Our unique designs consistently exceed expectations, ensuring that every project is a masterpiece of creativity and functionality.

“Architecture
is where dreams take
shape and design
meets purpose.”

Our Commitment to Excellence

Bricks N Balance is dedicated to delivering unparalleled luxury and sophistication in every project. Our team of seasoned professionals combines innovative design concepts with meticulous attention to detail, creating spaces that are both visually stunning and highly functional. From high-end residential interiors to state-of-the-art commercial spaces, we have honed our craft to perfection. Our commitment to excellence is reflected in our portfolio of distinguished projects, making us a trusted partner for clients seeking the pinnacle of interior design.

About Bricks N Balance

At Bricks N Balance, we are committed to transforming your dreams into reality by designing exceptional homes and workspaces that embody your unique vision. Specializing in luxury interior design, architecture, and 3D renderings, we bring over 11 years of experience to the table. Our experts successfully delivered over 10,00,000 square feet of space, including 150 homes and 40 workspaces. With a focus on both creativity and functionality, we ensure that each project we undertake is a true masterpiece that surpasses expectations.

Our Promise

Bricks N Balance is committed to delivering unparalleled luxury and sophistication in every design. Our experienced professionals seamlessly blend innovative concepts with meticulous attention to detail, creating spaces that are both stunning and functional. Whether crafting high-end residential interiors or pioneering commercial projects, we consistently deliver a level of excellence that distinguishes us from the rest. Our distinguished portfolio reflects our dedication and establishes us as a trusted partner for those seeking the very best in interior design.

“**Great architecture** inspires, shaping not just buildings, but the lives within them.”

What We Do

Luxury Interior Design: We create bespoke, luxurious interiors that elevate both residential and commercial

Why Choose Us

Expertise: Over 11 years of top-tier design experience.

Luxury: Specializing in sophisticated, high-end interiors.

Personalized: Tailored solutions that exceed your vision.

CLIENT NAME

Mr. Manoj Khurana

Welcome to Faridabad

The residence is designed with a neo-classical theme, featuring a sophisticated palette of dark and grey colors. Laminal finishes are used to create a natural effect on wall claddings, complemented by distinctive textured paints with subtle glitter effects. The washrooms showcase backlit granite and Italian marble for a luxurious touch.

Project Area
500 sq. yards

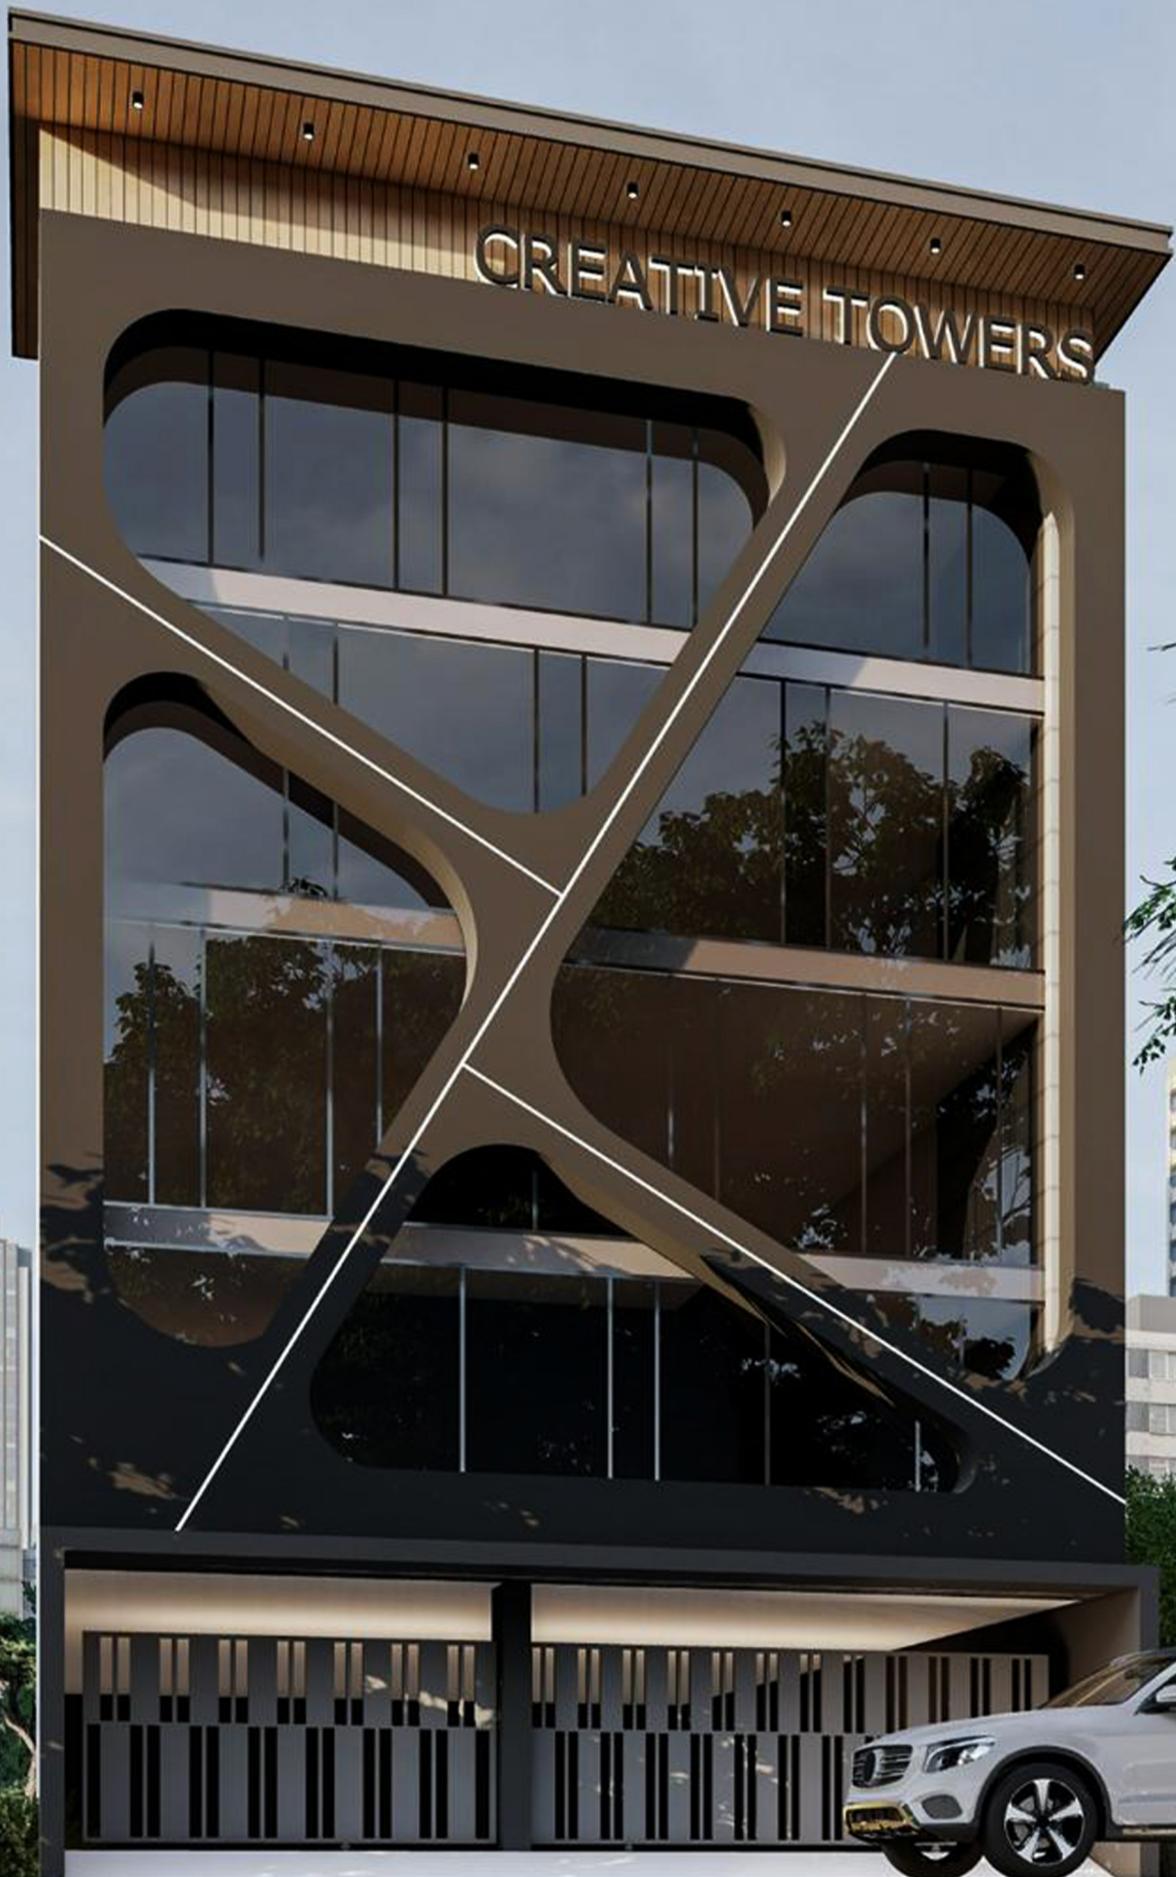

Lighting is expertly integrated with magnetic track systems in the bedrooms, living areas, and kitchen to accentuate the walls and enhance the overall atmosphere. The home also includes advanced electrical automation with touch panels, offering modern convenience.

Additional Features: custom details and sophisticated lighting that amplify the neo-classical theme, seamlessly integrating contemporary comforts with timeless

CREATIVE TOWERS

CLIENT NAME

Mr. Nishant Jain

Welcome to Ashok Vihar

The residence embraces a rich classical theme, accentuated by a light grey color palette. Wood-polished ceilings with elaborate molding designs create a natural effect that beautifully complements the wall claddings. The double-height entrance features an array of unique tiles with built-in niches, while the flooring throughout the home is adorned with elegant white and green marble patterns. In the washrooms, vibrant subway tiles in various colors add a distinctive touch.

Project Area
250 sq. yards

Lighting is thoughtfully designed with magnetic track systems in the bedrooms, living areas, and kitchen, highlighting the walls and enhancing the overall ambiance. The home also incorporates cutting-edge electrical automation with touch panels for modern convenience.

Additional Features: bespoke details and advanced lighting solutions that elevate the classical theme, seamlessly blending traditional elegance with contemporary

52/40
Rangsas Road

CLIENT NAME

Mr. Sarvesh Batra

Project Area

250 sq. yards duplex

Welcome to **Ashok Vihar**

The interior design blends modern concepts with subtle neo-classical touches, featuring a soothing palette of light colors complemented by a hint of gold accents in the master bedroom. The duplex staircase showcases imported quartz stone with a wave pattern created through CNC cutting, adding a contemporary flair. Motion-activated lighting further enhances the staircase, creating a dynamic and sophisticated ambiance.

The modular kitchen is elegantly clad with premium quartz and finished with sleek acrylic shutters, combining high-end materials for a modern and sophisticated look.

Additional Features: We integrate custom-designed elements and cutting-edge lighting solutions to ensure that every space is both visually captivating and highly functional. Our meticulous attention to detail guarantees that each design choice enhances the overall coherence and luxury of the living environment.

CLIENT NAME

Chawla's Resturant (La Lumiere)

Welcome to Shalimar bagh

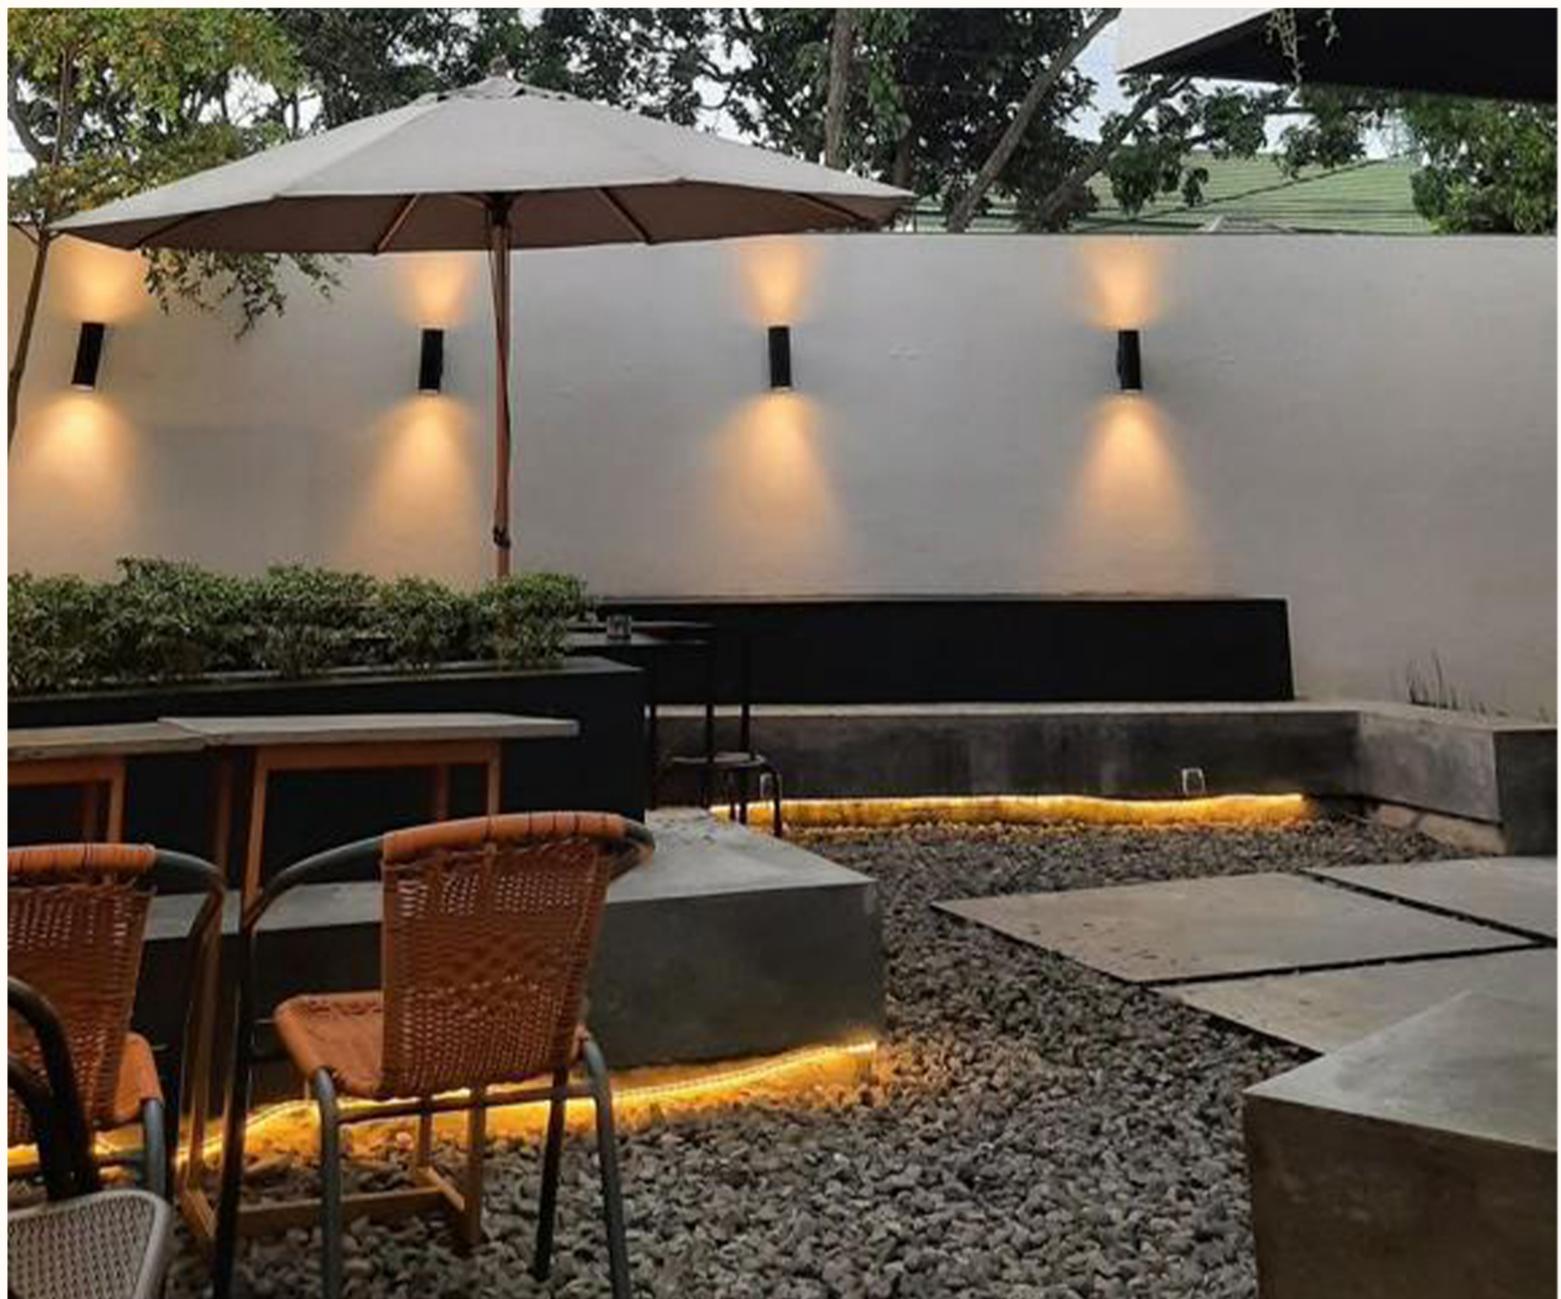

The interior design of La Lumiere combines modern sophistication with classical elegance. The space integrates timeless architectural elements like arches and fluted panels with contemporary functionality. Classic arches and sophisticated finishes enhance the dining area with both grandeur and charm.

Project Area
1250 sq. ft.

In the bar area, fluted panels and profile lighting create a refined atmosphere. The advanced automation lighting system adapts to various dining needs, from lively dinners to relaxed evenings. Moroccan tiles in the washrooms add a vibrant, exotic touch, contrasting beautifully with the main dining area's subdued tones.

Additional Features: The design incorporates a dynamic lighting system that adjusts to different times of day and dining settings, enhancing the overall ambiance. Moroccan tiles in the washrooms provide a vibrant, exotic contrast, complementing the elegant and refined atmosphere of the main dining area.

CLIENT NAME
Avnish Arora

**Welcome to
Naraina**

The interior design of Toni Plastic prioritizes both employee comfort and functional efficiency, creating a workspace that is productive and inviting. The design focuses on flexibility, personal touches, and a harmonious integration of light, color, and technology to foster a productive and engaging work environment. The layout features expansive open areas designed to support various work styles and encourage collaboration.

Project Area
1800 sq. ft.

The color scheme is carefully selected to enhance mood, productivity, and creativity. Large windows and glass partitions maximize natural light, enhancing the overall ambiance of the workspace.

Additional Features: conveniently placed wireless charging stations that enhance connectivity and ensure devices are always powered and ready for use.
